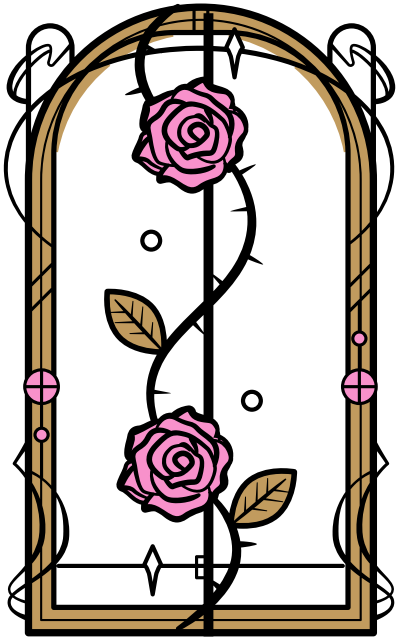
# Grimoire de l'apprenti sorcier pizzaïolo



Il te faudra :

- un magasin où acheter des provisions de sorcier
- des ingrédients dégoûtants
- des recettes de pizzas diaboliques
- un chaudron pas trop rouillé
- une baguette magique pour mélanger les ingrédients
- un rire infernal (ah ah ah !)

Et, bien sûr, un peu de réflexion pour compter les ingrédients.
La sorcellerie ça demande de la précision si l'on veut réussir ses recettes.

Prends ta pâte à pizza, ajoute la sauce de ton choix et les ingrédients en suivant bien les recettes. Et abracadabra, tu deviendras un excellent sorcier !
