

Sciences :

1 - J'observe les illustrations puis je complète chaque phrase avec : (Ventre - Œuf)

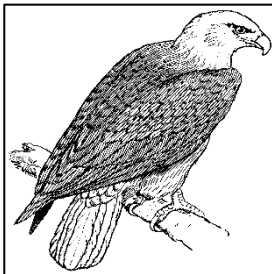

Le poussin sort d'un

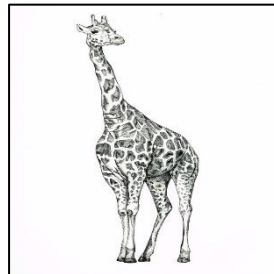

Le veau sort du de sa mère

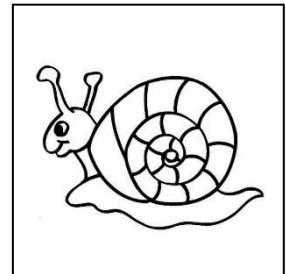

2 - Je colorie les pastilles en ● si l'animal est ovipare et en ● si l'animal est vivipare :

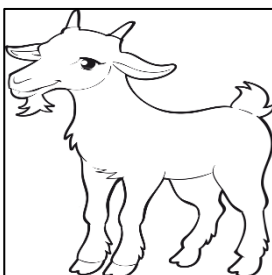

Un Aigle

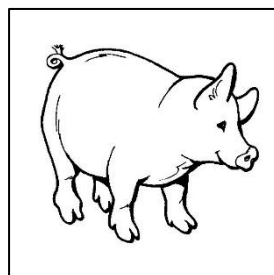

Une Girafe

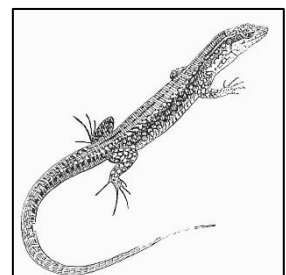

Un Escargot

Une Chèvre

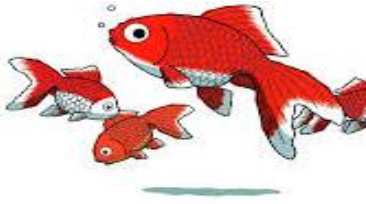

Un Cochon

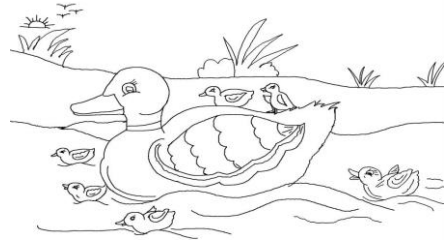

Un Lézard

Je relie chaque animal à son mode de naissance

Un poisson ●

● Un canard

Un cheval ●

Ovipare

● Un papillon

Un chat ●

Vivipare

● Une vache
